Please make special note of the expectations you and your student will be agreeing to if he/she is selected to the ECHS opportunity.

ECHS is an academic program intended to enable students to pursue an associate's degree while attending college. We are looking for students who are motivated to take college classes. Many students begin taking college courses during their freshman year. This allows students to apply to a 4-year university with potentially 60 college credit hours earned upon graduating from high school.

Points of consideration:

- This is a 4-year commitment
- Starting their freshman year of high school students will participate in college courses These courses will be used to fulfill high school graduation requirements.
- To remain in the program Students are required to be in good academic standing and acceptable attendance to remain in the program. Behavior is also considered.
