

CAMPUS IMPROVEMENT PLAN EXECUTIVE SUMMARY

Goals

1. Poteet Intermediate will ensure academic performance and achievement levels that reflect excellence in learning and attainment of both high expectations and high standards for all students.
2. Poteet Intermediate parents and community members will be partners in education to foster a collaborative educational environment.
3. Poteet Intermediate will cultivate a secure, supportive and nurturing environment where everyone feels safe and valued.

Focus for Poteet Intermediate Campus

Team Collaboration and Data Analysis

Teachers will meet weekly to discuss data, curriculum, lesson plans, interventions and best teaching practices.

ESC XX will provide professional development/support in Spanish Language Arts (SLAR) throughout the school year.

Daily Intervention/Tutorials

Teachers will provide daily interventions/tutorials to students who are struggling academically. Teachers will use the data collected and develop a plan to determine what individuals needs are.

Math Development

Math teachers will utilize Sharon Wells Curriculum/Materials to provide a hands-on approach to build a solid foundation of the integral mathematical concepts. Sharon Wells will provide professional development every 6 weeks to introduce teachers to a variety of best practice strategies for implementing the program with consistency and fidelity. The Math Framework Committee is developing a strong math framework district wide.

Attendance

Teachers and campus administrators will work together to improve student attendance. Conferences and home visits will occur when needed. The goal for campus attendance is 92%.

Technology

Teachers will incorporate technology daily into their lessons. Through the use of canvas and other appropriate programs, students will become familiar with a blended learning model.
